This information is general only, is not personal financial advice, and is not an offer or recommendation to make any investment or adopt any investment strategy. It does not take into account any person's financial objectives, situation or needs. Before making an investment decision you should obtain and read a copy of the relevant PDS available from this website (www.betashares.com.au) or by calling 1300 487 577 and obtain financial advice in light of your individual circumstances. Investments in BetaShares Funds are subject to investment risk and the value of units may go down as well as up. Past performance is not an indication of future performance. The performance of BetaShares Fund is not guaranteed by BetaShares or any other person. To the extent permitted by law BetaShares accepts no liability for any errors or omissions in, or loss from reliance on, the information herein.

Investors may buy units in BetaShares Funds on the ASX through a stockbroker, financial adviser or online broker. Units in BetaShares Funds trade on the ASX at market prices, not at NAV.

Any BetaShares Fund that seeks to track the performance of a particular financial index is not sponsored, endorsed, issued, sold or promoted by the provider of the index. No index provider makes any representation regarding the advisability of buying, selling or holding units in the BetaShares Funds or investing in securities generally. No index provider is involved in the operation or distribution of the BetaShares Funds and no index provider shall have any liability for the operation or distribution of these Funds or their failure to achieve their investment objectives. An index provider has no obligation to take the needs of the BetaShares Fund or the unitholders of the Fund into consideration in determining, composing or calculating the relevant index. Any intellectual property rights in the index name and associated trademarks, index methodology, index values and constituent lists vest in the relevant index provider and/or its affiliates. BetaShares has obtained a licence from the relevant index provider to use such intellectual property rights in the creation and operation of the BetaShares Funds.
